Sermon Questions (“SALT Starter”)

1. The Pharisees and the disciples had questions about Jesus’ second coming. What questions do you have about this event that your SALT group may be able to help answer for you?
2. Jesus told the Pharisees that the Kingdom was already among them. How should the truth that God’s Kingdom is already here affect our daily lives?
3. Based on vs. 23-24, why is it important to remember that Christ’s return will be obvious?
4. What is the point of verse 33 in the context of Christ’s second coming?
5. How can your life better reflect the imminent and sudden return of Christ?
